

## **Expression of Interest**

### **ME07: Inlet and Delivery Station Valve Package**

Kalium Lakes Limited are requesting expression of interest to be involved as part of the installation of a 79.3 km DN100 x 4.8 mm steel gas pipeline and associated gas facilities located approximately 160 km south east of Newman, Western Australia. Details of the project can be found in <http://www.kaliumlakes.com.au/beyondie-potash-project>

The scope of the package for the **Inlet and Delivery Station Valve Package** is to include:

- All valves detailed in 28503-LST-PP-001\_A Valve List ranging from 25-150DN, Natural Gas service, Manual and Actuated Valves.
- Design drawings, documentation and test certificates including MDR
- Packing and shipping

Works will need be completed to Primero's specifications and / or data sheet(s), safety requirements and conditions set out under the pipeline license.

The Company plans to issue a formal request for pricing from 25<sup>th</sup> November 2019, with closure of submissions scheduled for 9<sup>th</sup> December 2019.

To be considered for invitation to provide a proposal on this package, please advise your expression of interest by close of business 22<sup>nd</sup> November 2019 by submitting the following information:

1. Company name, company ABN, contact person's name, email and phone number;
2. Capability statement,
3. Previous similar experience;
4. Any subcontractors required to deliver the equipment;
5. Current accreditations;
6. Typical lead times of the equipment;
